

Tips & Suggestions

- Pick a few songs and bring them to your first lesson.
- Start early! The sooner you begin the more comfortable you will feel.
- Practice together in your wedding shoes and veil.
- Brides should practice in their gowns.
- Opt for private lessons for individual attention.
- Design the dance to suit the room size and layout.
- Dance lessons make a great gift.
- Take the wedding party for lessons together as a private group.
- Remember the father/daughter dance.

- Call (908) 218-9418 to schedule a free introductory lesson! (Coupon on reverse side.)

That Special Moment . . .

Your First Dance as Man & Wife

Your First Dance

Your first dance is symbolic of your first joint endeavor as man and wife. It is the beginning of your shared life together. Everyone will be watching as the new groom leads his wife onto the dance floor for the first time. It will be an experience that you will remember your entire life.

Indigo Ballroom can make your first dance a pleasant and enjoyable occasion. Our fabulous instructors have many years of experience teaching wedding couples how to dance. We will give you the confidence you need to relax and enjoy this wonderful moment.

Frequently Asked Questions

Q. Why should we seek professional help for our first dance?

A. Having a choreographed routine will give you confidence and eliminate embarrassing moments.

Q. How long before the wedding should we start our lessons?

A. Four to six months.

Q. How many lessons are recommended?

A. Twice a week for at least four months.

Q. What type of dance should we do?

A. A nice Foxtrot, Waltz or Rumba make beautiful wedding dances, however, there are many others that will work just fine.

Q. What should we wear to our lessons?

A. Casual attire, comfortable shoes, but no sneakers or rubber soles.

Indigo Teachers Can . . .

- Design customized choreographed routines for you.
- Teach you correct dance etiquette.
- Take into account the brides headpiece, veil and train.
- Show you how to overcome mistakes.
- Help you relax, reduce pressure and eliminate worry.
- Make you look polished and confident.
